2. *We note your disclosure here that there are no government regulations of your product or any powder or liquid enzyme products. We also note your disclosure in “Costs and Effect of Compliance with Environmental Laws” that you must comply with certification, testing, labeling and transportation regulations for chemicals regulated by the U.S. Environmental Protection Agency. In future filings, please reconcile these disclosures and specifically address whether your products require government approval. See Item 101(h)(4)(viii) of Regulation S-K.*

RESPONSE:

We will comply with this comment in future filings to reconcile the disclosures and specifically address whether our products require government approval.

Effect of Existing or Probable Governmental Regulations on the Company, page 5

3. *We note your disclosure that you will be subject to federal laws and regulations, as well as common business and tax rules and regulation. In future filings, please specify the effect of existing or probable governmental regulations, domestically and abroad, on the company in accordance with Item 101(h)(4)(ix) of Regulation S-K.*

RESPONSE:

We will comply with this comment in future filings and specify the effect of existing or probably governmental regulations, domestically and abroad, on the Company in accordance with Item 101(h)(4)(ix) of Regulation S-K.

Item 2. Properties, page 17

4. *We note your disclosure in “Costs and Effect of Compliance with Environmental Laws” on page 6 that you have production facilities and warehouse facilities. In future filings, please provide the disclosure that Item 102 of Regulation S-K requires. Clarify whether you or a third party produces your products. We note that raw materials are shipped to Integral Processing who presses and packages your products. File all material agreements as exhibits.*

RESPONSE:

We will comply with this comment in future filings.

5. *In future filings, please disclose your Internet web address, post the text of your code of ethics on your Internet website and disclose the fact that your code of ethics is posted on your Internet website, or undertake in your annual report that you will provide to any person, upon request, a copy of your code of ethics without charge, as well as provide the manner in which the request may be made. See Item 406 of Regulation S-K.*

RESPONSE:

We will comply with this comment in future filings.

The Company acknowledges that:

- the Company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the Company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

Should you have any questions regarding the foregoing, please do not hesitate to contact our counsel Philip Magri, Esq. of the Magri Law, LLC by phone at (954) 303-8027 or email at pmagri@magrilaw.com. We thank you for your assistance with this matter.
