PLEASE NOTE THAT THIS IS NOT A REQUEST FOR YOUR VOTE OR AN INFORMATION STATEMENT, BUT RATHER AN INFORMATION STATEMENT DESIGNED TO INFORM YOU OF THE APPROVAL OF THE AUTHORIZED CAPITAL INCREASE BY THE BOARD AND THE MAJORITY STOCKHOLDER.

The entire cost of furnishing this Information Statement will be borne by the Company. We will request brokerage houses, nominees, custodians, fiduciaries and other like parties to forward this Information Statement to the beneficial owners of the Common Stock held of record by them.

AUTHORIZATION BY THE BOARD OF DIRECTORS AND THE MAJORITY STOCKHOLDER

Under the NRS and the Company's Bylaws, any action that can be taken at an annual or special meeting of stockholders may be taken without a meeting, without prior notice and without a vote, if the holders of outstanding stock having not less than the minimum number of votes that will be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted consent to such action in writing. The approval to amend the Company's Articles of Incorporation to effectuate the Authorized Capital Increase requires the affirmative vote or written consent of the majority of the issued and outstanding shares of voting capital stock of the Company.

Each share of Common Stock entitles the holder to one vote per share. On the Record Date, there were 186,951,500 shares of Common Stock issued and outstanding. There were also 1,593,630 shares of Series A Preferred Stock (the "**Series A Preferred Stock**"), 200,000 shares of Series B Preferred Stock ("**Series B Preferred Stock**"), 4,700,000 shares of Series C Preferred Stock ("**Series C Preferred Stock**") and 710,000 shares of Series D Preferred Stock ("**Series D Preferred Stock**") issued and outstanding as of the Record Date. The outstanding shares of the Series A Preferred Stock vote on a share for share basis with our Common Stock on any matter, including but not limited to, the Corporate Action. The outstanding shares of Series B Preferred Stock vote together with the shares of Common Stock and other voting securities of the Company as a single class and, regardless of the number of shares of Series B Preferred Stock outstanding and as long as at least one share of Series B Preferred Stock is outstanding, the outstanding shares of Series B Preferred Stock shall represent eighty percent (80%) of all votes entitled to be voted at any annual or special meeting of the stockholders of the Company or action by written consent of the stockholders of the Company. Each outstanding share of the Series B Preferred Stock represents its proportionate share of the 80% which is allocated to the outstanding shares of Series B Preferred Stock. All of the 200,000 outstanding shares of Series B Preferred Stock are held by Maverick, LLC ("**Maverick**" or the "**Majority Stockholder**"). Ester Barrios has voting and dispositive control over the securities owned by Maverick. Each share of Series C Preferred Stock has the equivalency of twelve (12) shares of Common Stock, and each shares of Series D Preferred Stock has the voting equivalency of ten (10) shares of Common Stock.

On the Record Date, our Board of Directors and the Majority Stockholder adopted a resolution approving the Authorized Capital Increase. Accordingly, the Company has obtained all necessary corporate approvals in connection with the adoption of the Corporate Action. The Company is not seeking written consent from any other stockholders, and the other stockholders will not be given an opportunity to vote with respect to the actions described in this Information Statement. All necessary corporate approvals have been obtained. This Information Statement is furnished solely for the purposes of advising stockholders of the action taken by written consent and giving stockholders notice of such actions taken as required by the Exchange Act.

**AMENDMENT TO ARTICLES OF INCORPORATION

 - (c) the amount payable upon shares of preferred stock in the event of voluntary or involuntary liquidation;
 - (d) sinking fund or other provisions, if any, for the redemption or purchase of shares of preferred stock;
 - (e) the terms and conditions on which shares of preferred stock may be converted, if the shares of any series are issued with the privilege of conversion;
-

- (f) voting powers, if any, provided that if any of the preferred stock or series thereof shall have voting rights, such preferred stock or series shall vote only on a share for share basis with our Common Stock on any matter, including but not limited to the election of directors, for which such preferred stock or series has such rights; and
- (g) subject to the above, such other terms, qualifications, privileges, limitations, options, restrictions, and special or relative rights and preferences, if any, of shares or such series as our board of directors may, at the time so acting, lawfully fix and determine under the Nevada Revised Statutes.

Under the Amended and Restated Certificate of Designation, 3,000,000 shares of Preferred Stock have been designated as “Series A Convertible Preferred Stock” and each share has a stated value of \$0.20 per share (the “**Stated Value**”). On September 11, 2015, the Company amended the Series A Convertible Preferred Stock and filed an amendment with the Secretary of State of Nevada.

A summary of the designations, preferences, limitations, restrictions and relative rights of the Series A Preferred Stock, as amended, are as follows:

Conversion. From the respective Commencement Date (as defined below), each holder of Series A Convertible Preferred Stock (“**Holder**”) shall have the right to convert each share of Series A Convertible Preferred Stock into twenty (20) shares of Common Stock. For shares of Series A Convertible Preferred Stock issued prior to September 11, 2015, the Commencement Date shall be the first anniversary of the date of issuance. Notwithstanding the foregoing, in connection with any conversion hereunder, each Holder of Series A Convertible Preferred Stock may not convert any part of the Series A Convertible Preferred Stock if such conversion would cause such Holder or any of its assignees to beneficially own more than 4.99% of the Common Stock of the Company.

Redemption. The Company may, at the Company’s option, at any time or from time to time from and after the day immediately following the date the Series A Convertible Preferred Stock is first issued, redeem all or any portion of, on a pro rata basis, the outstanding shares of Series A Convertible Preferred Stock for \$0.40 per share (the “**Redemption Price**”):

Generally, the Series A Convertible Preferred Stock shall, with respect to dividend rights, rights on liquidation, winding up and dissolution, rank senior to (i) all classes of Common Stock of the Company and (ii) any class or series of capital stock of the Company hereafter created (unless, with the consent of the Holder(s) of Series A Convertible Preferred Stock).

Liquidation Preference. Except as otherwise provided by the Nevada Revised Statutes or elsewhere in the Certificate of Designation, in the event of any voluntary or involuntary liquidation, dissolution, or winding up of the Company, the Holders of shares of the Series A Convertible Preferred Stock then outstanding shall be entitled to be paid, out of the assets of the Company available for distribution to its stockholders, whether from capital, surplus or earnings, an amount equal to the Stated Value.

Dividends/Stock Splits. The Holders of shares of Series A Preferred Stock shall not be entitled to receive any dividends. The number of shares of Common Stock of the Company issuable pursuant to the conversion of outstanding shares of Series A Convertible Preferred Stock shall not be adjusted to reflect any forward to reverse stock splits by the Company of its outstanding shares of Common Stock.

Voting Rights. The Holders of the Series A Convertible Preferred Stock shall vote only on a share for share basis with our Common Stock on any matter, including but not limited to, the election of directors, name changes, increases in the authorized common shares and for which such preferred stock or series has such rights and as otherwise provided by the Nevada Revised Statutes and below.

To the extent that under the Nevada Revised Statutes the vote of the Holders of the Series A Convertible Preferred Stock, voting separately as a class or series, as applicable, is required to authorize a given action of the Company, the affirmative vote or consent of the Holders of at least a majority of the shares of the Series A Convertible Preferred Stock represented at a duly held meeting at which a quorum is present or by written consent of a majority of the shares of Series A Convertible Preferred Stock (except as otherwise may be required under the Nevada Revised Statutes) shall constitute the approval of such action by the class. To the extent that under the Nevada Revised Statutes Holders of the Series A Convertible Preferred Stock are entitled to vote on a matter with Holders of Common Stock, voting together as one class, each share of Series A Convertible Preferred Stock shall be entitled to one (1) vote.

Registration Rights. Piggyback registration rights for a self or underwritten offering pursuant to a registration statement (other than a registration effected solely to implement an employee benefit plan or a transaction to which Rule 145 of the Securities Act is applicable, or a Registration Statement on Form S-4, S-8 or any successor form thereto or another form not available for registering the Registrable Securities for sale to the public), whether the Company's own account or for the account of one or more stockholders of the Company, subject to pro rata reductions and customary market cutbacks.

Series B Non-Convertible Preferred Stock

On May 7, 2014, our Board designated 200,000 shares of Preferred Stock as "Series B Non-Convertible Preferred Stock" and we filed a Certificate of Designation with the Secretary of State of the State of Nevada on May 8, 2014, therein designating the class. Generally, the outstanding shares of Series B Non-Convertible Preferred Stock shall vote together with the shares of Common Stock and other voting securities of the Company as a single class and, regardless of the number of shares of Series B Non-Convertible Preferred Stock outstanding and as long as at least one of such shares of Series B Non-Convertible Preferred Stock is outstanding, shall represent eighty percent (80%) of all votes entitled to be voted at any annual or special meeting of stockholders of the Company or action by written consent of stockholders. Each outstanding share of the Series B Non-Convertible Preferred Stock shall represent its proportionate share of the 80% which is allocated to the outstanding shares of Series B Non-Convertible Preferred Stock. The Series B Preferred Stock have no redemption or dividend rights.

On June 4, 2015, the Company filed a Certificate of Amendment to its Certificate of Designation for the Company's Series C Preferred Stock. A summary of the designations, preferences, limitations, restrictions and relative rights of the Series C Preferred Stock are as follows:

Conversion. Each holder of Series C Preferred Stock shall have the right, at such Holder's option, at any time or from time to time from and after the first year anniversary of the date the Series C Preferred Stock is issued to such Holder, to convert each share ("**Share**") of Series C Preferred Stock into twelve (12) fully-paid and non-assessable shares of Common Stock of the Company; provided, however, in connection with any conversion hereunder, each Holder of Series C Preferred Stock may not convert any part of the Series C Preferred Stock if such conversion would cause such Holder or any of its assignees to beneficially own more than 4.99% of the Common Stock of the Company.

Redemption. The Company may, at the Company's option, at any time or from time to time from and after the day immediately following the date the Series C Preferred Stock is first issued, redeem all or any portion of, on a pro rata basis, the outstanding shares of Series C Preferred Stock for \$0.10 per share.

Rank. Except as specifically provided below, the Series C Preferred Stock shall, with respect to dividend rights, rights on liquidation, winding up and dissolution, rank senior to (i) all classes of Common Stock of the Company and (ii) any class or series of capital stock of the Company hereafter created (unless, with the consent of the Holder(s) of Series C Preferred Stock).

Liquidation Preference. Except as otherwise provided by the Nevada Revised Statutes and subject to the Certificate of Designation, in the event of any voluntary or involuntary liquidation, dissolution, or winding up of the Company, the Holders of shares of the Series C Preferred Stock then outstanding shall be entitled to be paid, out of the assets of the Company available for distribution to its stockholders, whether from capital, surplus or earnings, an amount equal to the Stated Value.

Liquidation. Subject to the provisions of the Certificate of Designation, in the event of any voluntary or involuntary liquidation, dissolution, or winding up of the Company, the Holders of shares of the Series C Preferred Stock then outstanding shall be entitled to be paid, out of the assets of the Company available for distribution to its stockholders, whether from capital, surplus or earnings, an amount equal to the Stated Value per share.

Dividends/Stock Splits. If the Company declares or pays a dividend or distribution on the Common Stock, whether such dividend or distribution is payable in cash, securities or other property, including the purchase or redemption by the Company of shares of Common Stock for cash, securities or property, but excluding any repurchases of Common Stock held by employees or consultants of the Company upon termination of their employment or services pursuant to agreements providing for such repurchase, the Company shall simultaneously declare and pay a dividend on the Series C Preferred Stock on a pro rata basis with the Common Stock determined on an as-converted basis assuming all outstanding shares of Series C Preferred Stock had been converted pursuant to Section 0 as of immediately prior to the record date of the applicable dividend (or if no record date is fixed, the date as of which the record holders of Common Stock entitled to such dividends are to be determined).

The number of shares of Common Stock of the Company issuable pursuant to the conversion of outstanding shares of Series C Preferred Stock shall not be adjusted to reflect any forward to reverse stock splits by the Company of its outstanding shares of Common Stock.

Voting Rights. To the extent that under the Nevada Revised Statutes, the vote of the Holders of the Series C Preferred Stock, voting separately as a class or series, as applicable, is required to authorize a given action of the Company, the affirmative vote or consent of the Holders of at least a majority of the shares of the Series C Preferred Stock represented at a duly held meeting at which a quorum is present or by written consent of a majority of the shares of Series C Preferred Stock (except as otherwise may be required under the Nevada Revised Statutes) shall constitute the approval of such action by the class. To the extent that under the Nevada Revised Statutes, Holders of the Series C Preferred Stock are entitled to vote on a matter with Holders of Common Stock, voting together as one class, each share of Series C Preferred Stock shall be entitled to twelve (12) vote(s).

Series D Preferred Stock

On June 4, 2015, the Company filed a Certificate of Designation with the Secretary of State of Nevada thereby designating 10 million (10,000,000) shares of the Company's authorized "blank check" Preferred Stock as "Series D Convertible Preferred Stock" (the "**Series D Preferred Stock**"). A summary of the designations, preferences, limitations, restrictions and relative rights of the Series D Preferred Stock are as follows:

Conversion. At the option of the holder, at any time or from time to time from and after the first-year anniversary of the issue date, into ten (10) shares of Common Stock but only to the extent such conversion would cause the holder to not beneficially own more than 4.99% of the Company's Common Stock.

Rank. With respect to dividend rights, rights on liquidation, winding up and dissolution, rank senior to (i) all classes of Common Stock of the Company and (ii) any class or series of capital stock of the Company hereafter created (unless, with the consent of the holders of Series D Preferred Stock).

Splits. The number of shares of Common Stock issuable upon the conversion the Series D Preferred Stock shall not be adjusted to reflect any forward to reverse stock splits by the Company of its outstanding shares of Common Stock.

Voting Rights. Generally, vote with the Common Stock as a single class and each share of Series D Preferred Stock shall have the voting equivalency of ten (10) shares of Common Stock.

Registration Rights. Piggyback registration rights for a self or underwritten offering pursuant to a registration statement (other than a registration effected solely to implement an employee benefit plan or a transaction to which Rule 145 of the Securities Act is applicable, or a Registration Statement on Form S-4, S-8 or any successor form thereto or another form not available for registering the Registrable Securities for sale to the public), whether the Company's own account or for the account of one or more stockholders of the Company, subject to pro rata reductions and customary market cutbacks.

Reasons for the Corporate Action

The Board has decided to increase the Company's authorized Common Stock for the following reasons:

1. As disclosed in the Company's Quarterly Report for the fiscal quarter ended October 30, 2016 filed with the Securities and Exchange Commission on February 3, 2017, on January 31, 2017, the Company entered into a Securities Purchase Agreement, dated January 31, 2017 (the "**Stock Purchase Agreement**"), with Crown Bridge Partners, LLC, a New York limited liability agreement ("**Crown Bridge**" or the "**Holder**"), pursuant to which Crown Bridge purchased a convertible promissory note in the principal sum of \$120,000 (the "**Principal Amount**") from the Company, bearing interest at the rate of eight percent (8%) per annum (the "**Note**"). The consideration to the Company for the Note is up to \$102,000 (the "**Consideration**"). The principal sum under the Note shall be prorated upon the consideration actually paid by Crown Bridge, the applicable portion of the OID as well as the accrued interest. The Company is not required to repay any unfunded portion of the Note. The maturity date for each tranche of the Principal Amount funded is twelve (12) months from the effective date of each payment (each, a "**Maturity Date**").

Crown Bridge has the right at any time to convert all or any part of the outstanding and unpaid principal amount and accrued and unpaid interest of the Note into shares of Common Stock of the Company at the Conversion Price (as defined therein), provided, however, that in no event shall Crown Bridge be entitled to convert any portion of the Note would result in the beneficial ownership by Crown Bridge and its affiliates of more than 4.99% of the outstanding shares of Common Stock; provided, further, however, that the limitations on conversion may be waived by Crown Bridge.

Pursuant to the terms of the Note, the Company is required, at all times during the period that the Note is convertible, to reserve from its authorized and unissued Common Stock, eight (8) times the number of shares that is actually issuable upon the full conversion of the Note (based on the then Conversion Price in effect from time to time) and to irrevocably instruct the Company's transfer agent to issue certificates for the Common Stock issuable upon the conversion of the Note. Therefore, we are required to increase the authorized Common Stock to have a sufficient amount of Common Stock reserved for issuance under the Note.

2. To have available additional authorized but unissued shares of Common Stock in an amount adequate to provide for the Company's future needs. The unissued shares of Common Stock will be available for issuance from time to time as may be deemed advisable or required for various purposes, including the issuance of shares in connection with future financings and/or acquisition transactions. The Company is not currently a party to any definitive financing or acquisition agreements.
-

Effect of Authorized Capital Increase

The additional shares of Common Stock will have the same rights as the presently authorized shares, including the right to cast one vote per share of Common Stock. Although the authorization of additional shares will not, in itself, have any effect on the rights of any holder of our Common Stock, the future issuance of additional shares of Common Stock (other than by way of a stock split or dividend) would have the effect of diluting the voting rights and could have the effect of diluting earnings per share and book value per share of existing stockholders.

At present, the Board has no plans to issue the additional shares of Common Stock authorized by the Amendment. However, it is possible that some of these additional shares could be used in the future for various other purposes without further stockholder approval, except as such approval may be required in particular cases by our charter documents, applicable law or the rules of any stock exchange or other quotation system on which our securities may then be listed. These purposes may include: raising capital, providing equity incentives to employees, officers or directors, establishing strategic relationships with other companies, and expanding our business or product lines through the acquisition of other businesses or products.

Effective Date

Under Rule 14c-2, promulgated pursuant to the Exchange Act, the Authorized Shares Amendment shall be effective twenty (20) days after this Information Statement is mailed to stockholders of the Company. We anticipate the effective date to be on or about March 13, 2017.

Interests of Certain Persons in the Action

Certain of the Company's officers and directors have an interest in the Corporate Action as a result of their ownership of shares of our Common Stock, as set forth in the section entitled "Security Ownership of Certain Beneficial Owners and Management" below. However, we do not believe that our officers or directors have interests in the Corporate Action that are different from or greater than those of any other of our stockholders.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission and generally includes voting or investment power with respect to securities. In accordance with Securities and Exchange Commission rules, shares of our Common Stock which may be acquired upon exercise of stock options or warrants which are currently exercisable or which become exercisable within 60 days of the date of the applicable table below are deemed beneficially owned by the holders of such options and warrants and are deemed outstanding for the purpose of computing the percentage of ownership of such person, but are not treated as outstanding for the purpose of computing the percentage of ownership of any other person. Subject to community property laws, where applicable, the persons or entities named in the tables below have sole voting and investment power with respect to all shares of our Common Stock indicated as beneficially owned by them.

The following table sets forth information with respect to the beneficial ownership of our Common Stock as of the Record Date, by (i) each stockholder known by us to be the beneficial owner of more than 5% of our outstanding voting capital stock, (ii) each of our directors and executive officers, and (iii) all of our directors and executive officers as a group. To the best of our knowledge, except as otherwise indicated, each of the persons named in the table has sole voting and investment power with respect to the shares of our capital stock beneficially owned by such person, except to the extent such power may be shared with a spouse. To our knowledge, none of the shares listed below are held under a voting trust or similar agreement, except as noted. To our knowledge, there is no arrangement, including any pledge by any person of securities of the Company or any of its parents, the operation of which may at a subsequent date result in a change in control of the Company.

Unless otherwise indicated in the following table, the address for each person named in the table is c/o Ecosciences, Inc., 420 Jericho Turnpike, Suite 110, Jericho, NY 17753.
