OF  
eWELLNESS HEALTHCARE CORPORATION  
11825 Major Street

(855) 470-1700**

To the Holders of Common Stock and Preferred Stock:

This Preliminary Information Statement (“Information Statement”) has been filed with the Securities and Exchange Commission (“SEC”) by eWellness Healthcare Corporation, a Nevada corporation (the “Registrant” or “Company”) pursuant to Section 14C of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and is being furnished to the holders of the Company’s outstanding shares of Common Stock, par value \$0.001 per share (the “Common Stock”) and outstanding shares of Series A Voting Preferred Stock, par value \$0.001 per share (the “Preferred Stock”). The purpose of this Information Statement is to notify holders of our Common Stock and Preferred Stock (the “Common Stockholders” and “Preferred Stockholders,” respectively) as of June 18, 2019 (the “Record Date”), that in lieu of a meeting of stockholders entitled to vote, the Company received, the written consent of the Company’s Board of Directors and of certain persons who are the holders of a majority of the Company’s shares of voting capital stock, consisting of certain Common Stockholders and Preferred Stockholders (the “Majority Consenting Stockholders”). The Series A Voting Preferred Stock has the right to vote in the aggregate, on all shareholder matters, votes equal to 51% of the total shareholder vote on any and all shareholder matters. The Series A Voting Preferred Stock will be entitled to this 51% voting right no matter how many shares of Common Stock or other voting stock of eWellness Healthcare Corporation voting stock is issued and outstanding in the future. The Series A Voting Preferred Stockholders and certain Common Stockholders holding in the aggregate approximately 70.97% of the total voting power of all issued and outstanding voting shares of the Company (the “Majority Consenting Stockholders”) together with the unanimous consent of the Company’s Board of Directors, authorized the following in writing their joint consent (the “Joint Written Consent”), a copy of which is attached as Exhibit A hereto:

- The increase in the number of authorized shares of Common Stock from four hundred million (400,000,000) shares of Common Stock to nine hundred million (900,000,000) shares of Common Stock (the “Authorized Common Stock Share Increase”);

We have attached as Exhibit B hereto a form of the proposed amendment of Article IV to the Articles of Incorporation, the increase in authorized shares of Common Stock to nine hundred million (900,000,000) shares, which amendment will not change the authorized twenty million (20,000,000) shares of Preferred Stock.

On June 18, 2019, the Record Date, the Board of Directors of the Company (the “Board”) approved, and recommended for approval to the holders of Series A Voting Preferred Stock and Common Stock having the power to vote with respect to the Common Stock, the: (i) Authorized Common Stock Share Increase (the “Corporate Action”), which Corporate Action was also approved by the Majority Consenting Stockholders on the same date. The Corporate Action by Joint Written Consent in lieu of a meeting was done in accordance with the provisions of Chapter 78.2055 of the Nevada Revised Statute (“NRS”). Accordingly, and based upon the Joint Written Consent of the Majority Consenting Stockholders and Board of Directors, your consent is not required and is not being solicited in connection with the approval of the Action.

**WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND A PROXY.**

The Board of Directors believes that the Common Stockholders and Series A Voting Preferred Stockholders of the Company will benefit from this Corporate Action because after the implementation of the Authorized Common Stock Share Increase by the filing of Articles of Amendment with the State of Nevada, the Company shall have available a sufficient number of authorized but unissued and unreserved shares of Common Stock to be able to secure new equity and debt financing as well as provide the Company with greater flexibility in pursuing potential acquisitions and other opportunities to expand and grow its business, although there can be no such assurance that such efforts will be successful. Reference is made to the discussion under “*Purpose And Effect Of Increasing The Number Of Authorized Shares*” below.

## **INTRODUCTION**

Chapter 78.2055 of the Nevada Revised Statute (“NRS”) provides that the written consent of the holders of outstanding shares of voting capital stock having not less than the minimum number of votes which would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted can approve an action in lieu of conducting a special stockholders’ meeting convened for the specific purpose of such action. The NRS, however, requires that in the event an action is approved by written consent, a Company must provide prompt notice of the taking of any corporate action without a meeting to the stockholders of record who have not consented in writing to such action and who, if the action had been taken at a meeting, would have been entitled to notice of the meeting if the record date for such meeting had been the date that written consents signed by a sufficient number of holders to take the action were delivered to the Company.

In accordance with the foregoing, we will mail the Notice of the Corporate Action to the Common Stockholders and Series A Preferred Stockholders on or about July \_\_, 2019.

This Information Statement contains a brief summary of the material aspects of the Corporate Action approved by the Board of Directors (the “Board”) of eWellness Healthcare Corporation (the “Company,” “we,” “our” or “us”) and the holders of Series A Voting Preferred Stock, who have voting rights together with the Common Stockholders. The Common Stockholders and Series A Voting Stockholders who have executed the Joint Written Consent constitute the Majority Consenting Stockholders.

## **SERIES A VOTING PREFERRED STOCK**

On June 20, 2019, the Company amended its Articles of Incorporation by filing a Certificate of Designations, Preferences and Rights to authorize 1,000,000 shares of Series A Voting Preferred Stock, par value of \$0.001, all of which were issued to the persons set forth on the Joint Written Consent as the holders of all of the Series A Voting Preferred Stock. The Series A Voting Preferred Shares have the right to vote in the aggregate, on all shareholder matters votes equal to 51% of the total shareholder vote on any and all shareholder matters. The Series A Voting Preferred Stock will be entitled to this 51% voting right no matter how many shares of common stock or other voting capital stock of the Company is issued and outstanding in the future.

As of June 18, 2019, the Record Date, there were issued and outstanding (i) 221,321,504 shares of our Common Stock, and (ii) 1,000,000 shares of our Series A Voting Preferred. Based upon the 221,321,504 shares of Common Stock issued and outstanding, the Series A Voting Preferred Stockholders are entitled to vote and have, in fact, voted in favor of the Corporate Action casting 112,873,967 affirmative votes. In addition, the Series A Voting Preferred Stockholders also own an aggregated of 44,202,921 shares of Common Stock and collectively, the Majority Consenting Stockholders affirmative vote represented 157,076,888 voting shares or 70.97 % of the total voting capital stock of the Company as of the Record Date.

## **ACTION TO BE TAKEN**

The Authorized Common Stock Share Increase will become effective on the date that we file the Amended Articles of Incorporation of the Company (the “Articles of Amendment”) with the Secretary of State of the State of Nevada. Such filing can occur no earlier than twenty (20) calendar days after the mailing of the Definitive Information Statement.

We currently expect to file the Amendment on or about July \_\_, 2019.

## INCREASE IN THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK

### *General*

The number of authorized shares of our Common Stock will be increased from four hundred million (400,000,000) shares to nine hundred million (900,000,000) shares (the “Authorized Common Stock Share Increase”).

As of June 18, 2019, there were issued and outstanding 221,321,504 shares of our Common Stock and approximately 175,000,000 shares of Common Stock reserved for issuance underlying convertible notes, options and warrants. We have been funding our operations utilizing proceeds from convertible notes and expect to do so until we begin to generate significant revenues from our proprietary physical therapy telehealth operations (“PHZIO”). As a result of funding the development of PHZIO and the costs of our operations by the issuance of shares of our Common Stock and the requirement of reserving shares underlying convertible notes, we do not have a sufficient number of authorized but unissued and unreserved shares of Common Stock for near term corporate purposes. See the discussion below under “*Purpose and Effect of Increasing the Number of Authorized Shares.*”

### *Purpose and Effect of Increasing the Number of Authorized Shares*

The additional shares of Common Stock for which authorization is sought would be part of the existing class of Common Stock, if and when issued. These shares would have the same rights and privileges as the shares of Common Stock currently outstanding. Holders of the Company’s Common Stock do not have preemptive rights to subscribe for and purchase any new or additional issues of Common Stock or securities convertible into Common Stock.

The Board of Directors believes that the increase in the number of authorized shares of Common Stock is in the best interests of the Company and its stockholders. The purpose of increasing the number of authorized shares of Common Stock is to have shares available for issuance for such corporate purposes as the Board of Directors may determine in its discretion, including, without limitation:

- conversion of convertible securities
- retiring convertible debt
- investment opportunities
- stock dividends or other distributions
- future financings and other corporate purposes
- future acquisitions

## **SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT AND RELATED STOCKHOLDER MATTERS.**

The following table lists the number of shares of Common Stock of our Company as of June 18, 2019, the Record Date, that are beneficially owned by (i) each person or entity known to our Company to be the beneficial owner of more than 5% of the outstanding Common Stock; (ii) each officer and director of our Company; and (iii) all officers and directors as a group. Information relating to beneficial ownership of Common Stock by our principal stockholders and management is based upon information furnished by each person using “beneficial ownership” concepts under the rules of the Securities and Exchange Commission. Under these rules, a person is deemed to be a beneficial owner of a security if that person has or shares voting power, which includes the power to vote or direct the voting of the security, or investment power, which includes the power to vote or direct the voting of the security. The person is also deemed to be a beneficial owner of any security of which that person has a right to acquire beneficial ownership within sixty (60) days. Under the rules of the SEC, more than one person may be deemed to be a beneficial owner of the same securities, and a person may be deemed to be a beneficial owner of securities as to which he/she may not have any pecuniary beneficial interest. Except as noted below, each person has sole voting and investment power.

---

The business address of each beneficial owner listed is in care of 11825 Major Street, Culver City, California, 90230 unless otherwise noted. Except as otherwise indicated, the persons listed below have sole voting and investment power with respect to all shares of our Common Stock owned by them, except to the extent that power may be shared with a spouse.

As of June 18, 2019, we had 221,321,504 shares of Common Stock and 1,000,000 shares of Series A Voting Preferred Stock issued and outstanding.
