### Explanation of Responses:

(1) Shares acquired indirectly were purchased indirectly through the purchase of an interest in an investing entity that acquired the issuer's securities in a private placement. Reporting person shares voting control over the securities held by the investing entity but reporting person disclaims beneficial ownership of the securities held by the partnership for which he does not have pecuniary interest and this filing should not be construed as an admission that the reporting person is the beneficial owner of these securities.

### Remarks:

Price in Table I, column 4 was incorrect in original filing.
