PROXY STATEMENT

April 17, 2014

This proxy statement (this “Proxy Statement”) is being furnished in connection with the solicitation of proxies (“Proxies” or if one, a “Proxy”) by the Board of Directors (the “Board”) of ProPhase Labs, Inc. (the “Company”) for use at the 2014 Annual Meeting of Stockholders of the Company to be held at Reed Smith LLP, 599 Lexington Avenue, 22nd Floor, New York, NY 10022, on May 20, 2014, at 4:30 p.m., Eastern Time, and any adjournments or postponements thereof (the “Annual Meeting”).

The principal executive offices of the Company are located at 621 N. Shady Retreat Road, Doylestown, PA 18901. The approximate date on which this Proxy Statement and the accompanying Proxy will first be sent or given to stockholders is April 17, 2014.

At the Annual Meeting, the following proposals will be presented to the stockholders for approval:

- (1) To elect as directors the nominees named in this Proxy Statement to serve as our board of directors for the ensuing year until the next Annual Meeting of Stockholders and until their respective successors have been duly elected and qualified;
- (2) To ratify the appointment of EisnerAmper LLP as independent auditors for the year ending December 31, 2014; and
- (3) To transact such other business as may properly come before the Annual Meeting and any adjournments or postponements thereof.

IF YOUR SHARES ARE HELD BY A BANK OR BROKER, YOU MUST BRING YOUR BANK OR BROKER’S STATEMENT EVIDENCING YOUR BENEFICIAL OWNERSHIP OF THE SHARES TO THE ANNUAL MEETING.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIAL FOR THE ANNUAL MEETING TO BE HELD ON MAY 20, 2014

The Notice of Meeting, Proxy Statement, Proxy Card and 2013 Annual Report are available on the internet at:
<http://www.astproxyportal.com/ast/07814/>.

Only stockholders of record at the close of business on April 3, 2014 (the “Record Date”) will be entitled to notice of and to vote at the Annual Meeting. At the close of business on the Record Date, the Company had 16,660.324 shares of common stock, par value \$0.0005 per share (the “Common Stock”), outstanding and entitled to vote at the Annual Meeting. Each share of Common Stock outstanding on the Record Date is entitled to one vote. There was no other class of voting securities of the Company outstanding on the Record Date. A majority of the outstanding shares of Common Stock present in person or by proxy at the Annual Meeting is required for a quorum.

If you hold shares of our Common stock registered in your name at our transfer agent, American Stock Transfer & Trust Company, LLC (“Amstock”), you are a stockholder of record. If you hold shares of Common Stock indirectly through a broker, bank or similar institution, you are not a stockholder of record, but instead hold in “street name.” If you are a stockholder of record, Amstock is sending these proxy materials to you directly. If you hold shares in “street name,” these materials are being sent to you by the broker, bank or similar institution through which you hold your shares.

Attendance at the Annual Meeting is generally limited to our stockholders and their authorized representatives. All stockholders must bring an acceptable form of identification, such as a driver’s license, in order to attend the Annual Meeting in person. In addition, if you hold shares of Common Stock in “street

TABLE OF CONTENTS

name” and would like to attend the Annual Meeting, you will need to bring an account statement or other acceptable evidence of ownership of shares as of the close of business on April 3, 2014, the Record Date for the Annual Meeting. However, those who hold shares in “street name” cannot vote their shares at the meeting without a legal proxy. If your shares are held in “street name” in a brokerage account by a bank, broker or by another nominee, you are considered the “beneficial owner” of those shares. As the beneficial owner of those shares, you have the right to direct your broker, bank or nominee how to vote and you also are invited to attend the Annual Meeting. However, because a beneficial owner is not the stockholder of record, you may not vote these shares in person at the meeting unless you obtain a legal proxy from the bank, broker, or nominee that holds your shares, giving you the right to vote the shares at the meeting.

Shares of Common Stock represented by Proxies that are properly executed, duly returned and not revoked will be voted in accordance with the instructions contained therein. If you give your Proxy but do not include specific instructions on how to vote, the individuals named as Proxies will vote your shares as follows:

- FOR the election of the board of directors’ nominees for director; and
- FOR the ratification of the appointment of EisnerAmper LLP as our independent registered public accounting firm.

If other matters are properly presented at the meeting, the individuals named as Proxies will have the discretion to vote on those matters for you in accordance with their best judgment. However, our Secretary has not received timely and proper notice from any stockholder of any other matter to be presented at the meeting. The execution of a Proxy will in no way affect a stockholder’s right to attend the Annual Meeting and to vote in person. Any Proxy executed and returned by a stockholder may be revoked at any time prior to the Annual Meeting by written notice of revocation given to the Secretary of the Company prior to the vote to be taken at the Annual Meeting, by execution and delivery of a subsequent Proxy, or by voting in person at the Annual Meeting.

Broker Non-Votes and Abstentions

If you mark your proxy as “Withhold Authority” or “Abstain” on any matter, or if you give specific instructions that no vote be cast on any specific matter, the shares represented by your Proxy will not be voted on that matter, but will count toward the establishment of a quorum. Proxies submitted by brokers that do not indicate a vote for some or all of the proposals because they do not have discretionary voting authority and have not received instructions as to how to vote on those proposals (so called “broker non-votes”) are also considered in determining whether a quorum is present, but will not be voted on that matter. The nominees may vote shares without instruction only on matters deemed “routine,” such as the ratification of the appointment of the independent auditors (Item #2). Uninstructed brokers do not have discretionary voting power for the election of directors (Item #1), and, accordingly, if you do not provide voting instructions to the broker, bank or other nominee that holds your shares for you, they will not be voted for or against the election of directors.

The inspectors of election will treat shares represented by Proxies that reflect abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum.

Abstentions and broker non-votes, however, do not technically constitute a vote “for” or “against” any matter and thus will be disregarded in the calculation of votes cast and whether stockholder approval of the matter has been obtained. Therefore, an abstention or broker non-vote will not have the effect of a vote for or against the proposal and will not be counted in determining the number of votes required for approval, though they will be counted as present at the Annual Meeting in determining the presence of a quorum.

Copies of the Company’s Annual Report containing audited financial statements of the Company for the year ended December 31, 2013, are being mailed together with this Proxy Statement to all stockholders entitled to vote at the Annual Meeting.

PROPOSAL 1 — ELECTION OF BOARD OF DIRECTORS

The directors of the Company are elected annually and hold office for the ensuing year until the next Annual Meeting of Stockholders and until their successors have been duly elected and qualified. The directors are elected by a plurality of the votes cast by stockholders. The Company’s Bylaws state that the number of directors constituting the entire Board shall be determined by resolution of the Board. The number of directors currently fixed by the Board is six.

No Proxy may be voted for more people than the number of nominees listed below. Shares represented by all Proxies received by the Board and not marked to vote against or to withhold authority to vote for any individual director will be voted “FOR” the election of all the nominees named below (unless one or more nominees becomes unable or unwilling to serve). All of the nominees have indicated their willingness to serve if elected, but if any should become unable or unwilling to stand for election, Proxies may be voted for a substitute nominee designated by the Board. No nominations for directors were received from stockholders and no other candidates are eligible for election as directors at the Annual Meeting.

The following table and the paragraphs following the table set forth information regarding the current ages, positions, and business experience of the current directors of the Company, all of whom are being nominated for election to the Board:

Required Vote

Directors are elected by a plurality of the votes cast, in person or by proxy, at the Annual Meeting.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ELECTION OF EACH OF THE DIRECTOR NOMINEES NAMED IN THIS PROXY STATEMENT. PROXIES SOLICITED BY THE BOARD WILL BE VOTED "FOR" EACH NOMINEE UNLESS STOCKHOLDERS SPECIFY A CONTRARY VOTE.

Corporate Governance

The Company's corporate governance serves to ensure that certain members of the Board are independent from management and that the Board adequately performs its function to ensure that the interests of the Board and management are in alignment with the interests of the stockholders.

TABLE OF CONTENTS

The Board has adopted Corporate Governance Guidelines to promote effective governance of the Company. The Corporate Governance Guidelines are available on our website at www.ProPhaseLabs.com under “Investor Relations — Corporate Governance and Policies — Governance Overview.”

On an annual basis, each director and executive officer is required to complete a Director and Officer Questionnaire. Within this questionnaire are requirements for disclosure of any transactions with the Company in which the director or executive officer, or any member of his or her immediate family, have a direct or indirect material conflict of interest.

The Company has established a whistleblower policy by which confidential complaints may be raised anonymously within the Company. Employees that wish to submit complaints confidentially should submit an anonymous written complaint directly to Compliance Officer, James McCubbin. Complaints submitted through this confidential process that involve the Company’s accounting, auditing, and internal auditing controls and disclosure practices will be presented to the Audit Committee. The policy is available on our website at www.ProPhaseLabs.com under “Investor Relations — Corporate Governance and Policies — Whistleblower Policy”.

The Company maintains an insider trading policy that provides that the Company’s personnel may not buy, sell or engage in other transactions in the Company’s stock while aware of material non-public information and that restricts trading in Company securities for a limited group of Company employees (including executive officers and directors) to defined window periods that follow our quarterly earnings releases. The policy is available on our website at www.ProPhaseLabs.com under “Investor Relations — Corporate Governance and Policies — Securities Trades.”

Code of Conduct

We have adopted a code of conduct that applies to all members of our Board and all employees of the Company, including the Chief Executive Officer, Chief Financial Officer, and other senior financial officers. The Code of Conduct is available on our website at www.ProPhaseLabs.com under “Investor Relations — Corporate Governance and Policies — Code of Conduct.” We have not granted any waivers under this policy to any of our directors or executive officers. Any waiver will be disclosed in accordance with The NASDAQ Stock Market (“NASDAQ”) requirements.

Director Independence

As required by NASDAQ listing standards, a majority of the members of our Board must qualify as “independent,” as affirmatively determined by our Board. Our Board consults with our legal counsel to ensure that its determinations are consistent with all relevant securities and other laws and regulations regarding the definition of “independent,” including those set forth in the applicable NASDAQ listing standards.

Based on these standards, upon the recommendation of our Nominating Committee, the Board has affirmatively determined that each of our non-employee directors is “independent,” as defined by the current rules under the listing standards of NASDAQ. Thus, five of our six directors are independent under the listing standards of NASDAQ. Mr. Karkus is not considered independent because he is an employee of the Company. Additionally, our Board has affirmatively determined that each of Mark Burnett, Jim McCubbin, and Mark Frank is “independent” as defined by the applicable rules of the Securities and Exchange Commission (the “SEC”) regarding audit committee independence. We currently have a fully independent Compensation Committee, Nominating Committee, and Audit Committee.

Certain Relationships and Related Transactions

In accordance with the terms of the charter of our Audit Committee, the Audit Committee must review and approve the terms and conditions of all related party transactions. Although we have not entered into any transactions with any related parties since the start of fiscal 2013 that require disclosure under Item 404(a) of Regulation S-K promulgated by the SEC, if we were to do so in the future, any such transaction would need to be approved by the Audit Committee. There are no family relationships among any of the Company’s directors or executive officers.

TABLE OF CONTENTS

Board Structure and Risk Oversight

Our governance structure combines the roles of principal executive officer and Board Chairman. Mr. Karkus has served as both Chairman and CEO of the Company since June 2009. The Board believes there are important advantages to Mr. Karkus serving in both roles at this time, and may revisit this structure at its discretion in the future. Mr. Karkus is the director most familiar with our Company's business and industry and is best situated to propose the Board's agendas and lead Board discussions on important matters. Mr. Karkus provides a strong link between management and the Board, which promotes clear communication and enhances strategic planning and implementation of corporate strategies. Another advantage is the clarity of leadership provided by one person representing the Company to employees, stockholders and other stakeholders. The Board has not named a lead independent director.

Our independent directors have executive sessions at which only independent directors are present in connection with regularly scheduled board meetings, and no less than twice a year.

Our Board is actively involved in oversight of risks that could affect us. This oversight is conducted primarily by our full Board of Directors, which has responsibility for general oversight of risks, and through delegation to the Audit Committee. Our Board of Directors satisfies this responsibility through full reports by each committee chair regarding the committee's considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within our Company. The Board believes that full and open communication between management and the Board is essential for effective risk management and oversight.

In addition, our Board monitors our exposure to a variety of risks through our Audit Committee. Our Audit Committee Charter gives the Audit Committee responsibilities and duties that include discussing with management, the internal audit department and the independent auditors, our major financial risk exposures and the steps management has taken to monitor and control such exposures, including our risk assessment and risk management policies. Pursuant to the Audit Committee Charter, such discussions should also include our exposure to counterparties or other institutions which we believe are at risk of significant financial distress.

Certain Legal Proceedings

None of our directors or executive officers, nor any associate of such individual, are involved in a material legal proceeding adverse to us or any of our subsidiaries or our joint ventures, however each of our directors and executive officers were named as defendants in a purported derivative complaint filed on February 2, 2012 by stockholder Guy Quigley in the Court of Common Pleas of Philadelphia County, Pennsylvania (No. 111200409). Among other things, the suit alleges various breaches of fiduciary and other duties, and seeks recovery of unspecified damages and other relief. The Company was also named as a nominal defendant. The Company believes the lawsuit is without merit and intends to vigorously defend against it. Limited pre-trial discovery was completed by July 12, 2013. We filed a motion to dismiss on July 26, 2013 on demand futility and plaintiff adequacy issues. On August 26, 2013 the court heard oral arguments regarding our motion for summary judgment and this motion is currently pending.

Diversity of background, including gender, race, ethnic or national origin, age, and experience in business, government, education, international experience and other areas relevant to the Company's business are factors in the selection process. As a company, we are committed to creating and sustaining a culture of inclusion and fairness. In addition, the Nominating Committee reviews the qualifications of the directors to be appointed to serve as members of the Audit Committee to ensure that they meet the financial literacy and sophistication requirements under NASDAQ rules and that at least one of them qualifies as an "audit committee financial expert" under the rules of the SEC.

The Nominating Committee will consider written proposals from stockholders for nominees for director. Any such nominations must be submitted to the Nominating Committee in accordance with Article 2.14 of the Company's Bylaws to the Secretary at the Company's principal executive office. For a stockholder to make any nomination of a person or persons for election to the Board at an annual meeting, the stockholder must provide timely notice and certain information about the stockholder and the nominee. To be timely, a stockholder's notice must be delivered to, or mailed and received at, the principal executive office of the Company not less than ninety (90) days nor more than one hundred twenty (120) days prior to the one-year anniversary of the preceding year's annual meeting; provided, however, that if the date of the annual meeting is more than thirty (30) days before or more than sixty (60) days after such anniversary date, notice by the stockholder to be timely must be so delivered, or mailed and received, not later than the ninetieth (90th) day prior to such annual meeting, or, if such meeting is announced later than the ninetieth (90th) day prior to the date of such meeting, not later than the tenth (10th) day following the day on which public disclosure (as defined in Article 2.14 of the Bylaws) of the date of such annual meeting was first made.

Information must be provided for (i) the stockholder providing the notice of the nomination proposed to be made at the meeting, (ii) the beneficial owner or beneficial owners, if different, on whose behalf the notice of the nomination proposed to be made at the meeting is made, (iii) any affiliate or associate of such stockholder or beneficial owner, and (iv) any other person with whom such stockholder or such beneficial owner (or any of their respective affiliates or associates) is acting in concert. Each such person must provide (A) the name and address of such person (including, if applicable, the name and address that appear on the Company's books and records); and (B) the class or series and number of shares of the Company that are, directly or indirectly, owned of record or beneficially owned (within the meaning of Rule 13d-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act")), by such person, except that such person shall in all events be deemed to beneficially own any shares of any class or series of the Company as to which such person has a right to acquire beneficial ownership at any time in the future. In addition, each person must provide information relating to their derivative and short positions in the Company's securities, as set out in the Company's Bylaws.

In addition, each director nominee must provide the same information, as well as all information relating to such proposed nominee that is required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors in a contested election pursuant to Section 14(a) under the Exchange Act (including such proposed nominee's written consent to being named in the proxy statement as a nominee and to serving as a director if elected), a description of all direct and indirect compensation and other material monetary agreements, arrangements and understandings during the past three years, and any other material relationships, between or among any nominating stockholder, on the one hand, and each proposed nominee, his or her respective affiliates and associates and any other persons with whom such proposed nominee (or any of his or her respective affiliates and associates) is acting in concert, on the other hand, including, without limitation, all information that would be required to be

disclosed pursuant to Item 404 under Regulation S-K if such nominating stockholder were the “registrant” for purposes of such rule and the proposed nominee were a director or executive officer of such registrant, and a completed and signed questionnaire, provided by the Company’s Secretary relating to any voting commitments. The Company may require any proposed nominee to furnish such other information (A) as may reasonably be required by the Company to determine the eligibility of such proposed nominee to serve as an independent director of the Company or (B) that could be material to a reasonable stockholder’s understanding of the independence or lack of independence of such proposed nominee.

Meetings and Committees of the Board of Directors

For the fiscal year ended December 31, 2013, there were 5 meetings of the Board. Each of the directors attended, in person or by telephone, more than 75% of the meetings of the Board and the committees on which he served.

The independent members of the Board met in executive session on two occasions during 2013.

Each director is expected to make reasonable efforts to attend Board meetings, meetings of committees of which such director is a member and the Annual Meetings of Stockholders. All six of our then sitting directors attended the 2013 Annual Meetings of Stockholders.

The Company has three standing committees: the Audit Committee, the Compensation Committee, and the Nominating Committee.

The members of the Audit Committee are Mark Burnett, Jim McCubbin, and Mark Frank. The Audit Committee has been established in accordance with Section 3(a)(58)(A) of the Exchange Act. Mr. Frank serves as Chairman of the Audit Committee. The Board has determined that the Audit Committee consists entirely of directors who meet the independence requirements of the NASDAQ listing standards and that Mr. McCubbin qualifies as an “audit committee financial expert” as defined by the rules of the SEC. Additionally, our Board has affirmatively determined that each of Mark Burnett, Jim McCubbin, and Mark Frank is “independent” as defined by the applicable rules of the Securities and Exchange Commission regarding audit committee independence. The Audit Committee reviews, analyzes and makes recommendations to the Board with respect to the Company’s accounting policies, internal controls and financial statements, consults with the Company’s independent registered public accountants, and reviews filings containing financial information of the Company to be made with the SEC. The Audit Committee met five times during 2013. The Audit Committee operates under a written charter adopted by the Board in 2002 which is available on our website at www.ProPhaseLabs.com under “Investor Relations — Corporate Governance and Policies — Audit Committee Charter.”

The members of the Compensation Committee are Dr. Louis Gleckel, Mark Burnett, and Mark Leventhal. Mr. Leventhal serves as Chairman of the Compensation Committee. The Board has determined that the Compensation Committee consists entirely of directors who meet the independence requirements of the NASDAQ listing standards for Compensation Committee members. The Compensation Committee reviews and approves the salary and all other compensation of officers of the Company, including non-cash benefits, incentive-based awards and equity-based awards. The Compensation Committee also administers the Company’s Amended and Restated 2010 Equity Compensation Plan and the 2010 Directors’ Equity Compensation Plan. The Compensation Committee may form subcommittees and delegate authority to such subcommittees or to one or more of its members when appropriate. The Compensation Committee has the authority to engage consultants. The Compensation Committee met two times during 2013. The Compensation Committee operates under a written charter adopted by the Board in 2009 which is available on our website at www.ProPhaseLabs.com under “Investor Relations — Corporate Governance and Policies — Compensation Committee Charter.”

The members of the Nominating Committee are Mark Leventhal, Dr. Louis Gleckel, and Mark Frank. Dr. Gleckel serves as Chairman of the Nominating Committee. The Board has determined that the Nominating Committee consists entirely of directors who meet the independence requirements of the NASDAQ listing standards. The Nominating Committee is responsible for developing and recommending criteria for selecting new directors and oversees evaluations of the Board and committees of the Board. The Nominating Committee has the responsibility to oversee the Company’s Corporate Governance Guidelines and propose

changes to such guidelines from time to time as may be appropriate. The Nominating Committee met one time during 2013. The Nominating Committee operates under a written charter adopted by the Board in February 2010 which is available on our website at www.ProPhaseLabs.com under “Investor Relations — Corporate Governance and Policies — Governance and Nominating Committee Charter.”

Procedures for Contacting Directors

The Company has adopted a procedure by which stockholders may send communications to one or more members of the Board by writing to such director(s) or to the whole Board, care of the Corporate Secretary, ProPhase Labs, Inc., 621 N. Shady Retreat Road, Doylestown, PA 18901. The mailing envelope should contain a clear notation indicating that the enclosed letter is a “Board Communication” or “Director Communication.” All such letters must clearly state whether the intended recipients are all members of the Board or just certain specified individual directors. The Secretary will make copies of all such letters and circulate them to the appropriate director or directors.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee reviews and approves the salary and all other compensation of our executive officers (as defined in Rule 16a-1(f) under the Exchange Act), including non-cash benefits and incentive-based and equity-based awards. None of the Compensation Committee members was an officer or employee of the Company at any time prior to December 31, 2013, or had any relationship requiring disclosure under the caption “Certain Relationships and Related Transactions.” No executive officer of the Company served on any other entity’s compensation committee or other committee performing similar functions during the fiscal year.

Compensation Philosophy and Employment Agreements

Our Compensation Committee believes the most effective compensation package for named executive officers is designed to reward achievement of individual and corporate objectives, provide incentives for short-term, medium-term and long-term financial and strategic goals and to align the interests of management with those of the stockholders by providing incentives for improving shareholder value. There is no pre-established policy or target for the allocation between either cash and non-cash or short-term, medium-term and long-term incentive compensation; however, a significant percentage of total compensation is allocated to performance-based incentive compensation, both in the form of cash programs and equity participation. Because there are no pre-established policies or targets, our Compensation Committee is able to evaluate the compensation package from year to year with the flexibility to configure allocations and amounts in a manner that aligns closely with shareholder interests. Our Compensation Committee has not, to date, used a third-party compensation consultant.

Subject to variation where appropriate, the elements of compensation to named executive officers include:

- base salary, which is determined on an annual basis and is generally set forth in employment agreements with our executives;
- annual cash incentive compensation, which is awarded by our Compensation Committee based on the Company and individual performance in the applicable fiscal year; and
- long-term incentive compensation in the form of options and other awards.

Regarding most compensation matters, the Chief Executive Officer’s responsibility is to provide recommendations to the Compensation Committee based on an analysis of market standards and trends and an evaluation of the contribution of each executive officer to the Company’s performance. Our Compensation Committee considers, but retains the right to accept, reject or modify such recommendations. Neither the

TABLE OF CONTENTS

Chief Executive Officer nor any other members of management is present during executive sessions of the Compensation Committee. Moreover, the Chief Executive Officer is not present when decisions with respect to his compensation are made.

Cash compensation for our named executive officers consists of base salary and an annual bonus pursuant to the terms of their respective employment agreements. Base salaries are an integral component of our total compensation program and help to attract and retain senior executives. Base salary is the only fixed component of compensation for our executives. The base salaries for our executive officers are set in their employment agreements, but in the event the Company would hire an additional executive or renegotiate an existing employment agreement, the Compensation Committee would evaluate the competitive marketplace, the salaries of our other executives, and the scope of each executive's responsibilities.

Our annual bonus opportunity is intended to incentivize the achievement of goals that drive annual performance. On an annual basis and generally in mid-December, our Compensation Committee determines the appropriate level and mix of performance-based cash incentive compensation for our named executive officers. In recent years, these incentives have included sales incentive plans for named executive officers charged with driving increases in sales and other similar metrics year to year. The amount of the annual bonus award for each executive is based on individual performance assessments and the performance of the Company. The annual bonus award earned in 2013 by each named executive officer is set forth in the Summary Compensation Table.

On November 8, 2011, the Company entered into new employment agreements, effective as of January 1, 2012, with each of Ted Karkus, Chairman and Chief Executive Officer of the Company, and Robert V. Cuddihy, Jr., Chief Financial Officer and Chief Operating Officer of the Company. The employment agreements superseded previous employment agreements with Messrs. Karkus and Cuddihy, dated August 19, 2009. The scheduled termination dates of the employment agreements is July 15, 2015, which is three years following the scheduled expiration date set forth in the executives' former employment agreements. Each employment agreement was approved by our Compensation Committee. Copies of the employment agreements are included as Exhibits 99.1 and 99.2, respectively, to the Company's Quarterly Report on Form 10-Q, filed with the SEC on November 14, 2011.

Under his employment agreement with the Company, Mr. Karkus agreed to an annual base salary of \$675,000 as Chief Executive Officer. He is eligible to receive an annual increase in base salary and may be awarded a bonus in the sole discretion of the Compensation Committee and also will receive regular benefits routinely provided to other senior executives of the Company.

Under his employment agreement with the Company, Mr. Cuddihy agreed to an annual base salary of \$350,000 as Chief Financial Officer and Chief Operating Officer. Mr. Cuddihy is eligible to receive an annual increase in base salary and may be awarded a bonus in the sole discretion of the Compensation Committee and also will receive regular benefits routinely provided to other senior executives of the Company.

Each executive is subject to non-competition restrictions for up to a period of either six (6) months or eighteen (18) months following termination of employment depending on the nature of the termination. Each executive is also eligible for a gross up payment in the event that any amounts payable under the agreements (or any other plan, program, policy or arrangement with the Company) become subject to the excise tax imposed by Section 4999 of the Internal Revenue Code.

Consideration of Advisory Stockholder Vote on Executive Compensation

On May 6, 2013, at our annual meeting of stockholders, our stockholders overwhelmingly approved, on a non-binding advisory basis, the compensation of the Company's executive officers, including the Company's compensation practices and principles and their implementation, as discussed and disclosed in the compensation tables and related narrative disclosure contained in our 2013 Proxy Statement (the "Say on Pay Vote"). The Compensation Committee appreciates and values the views of our shareholders.

As the Compensation Committee evaluated the Company's compensation practices in 2013, the Compensation Committee was mindful of the strong support our stockholders expressed by the 2013 Say on Pay Vote. In light of this strong level of support of the overall pay practices, and of the general effectiveness of our long standing compensation policies, the Board and the Compensation Committee do not currently

TABLE OF CONTENTS

intend to make any specific changes to our executive compensation program for 2014. Going forward, future Say on Pay Votes will serve as an additional tool to assist the Board of Directors and the Compensation Committee in evaluating the alignment of the Company's executive compensation program with the interests of the Company and its stockholders.

Also at the annual meeting on May 6, 2013, our stockholders expressed a preference that Say on Pay Votes occur every three years. In accordance with the results of this vote, the Board of Directors determined to implement a Say on Pay Vote every three years. Therefore, the next Say on Pay Vote will be held at our 2016 annual meeting of stockholders. The next required vote on the frequency of shareholder votes on the compensation of executives, is scheduled to occur at the 2019 annual meeting.

Compensation Pursuant to Plans

Our Compensation Committee believes that equity-based participation provides the named executive officers with strong economic interest in maximizing stock price appreciation over the long term. Equity-based awards are made pursuant to the Company's equity incentive plans. Our primary stock-based employee compensation plan, the Amended and Restated 2010 Equity Compensation Plan (the "2010 Plan"), was initially approved by our Board and stockholders in May 2010, and was amended by our Board and stockholders in May 2013 to increase the number of available shares in the 2010 Plan by 700,000. We regard the 2010 Plan as a key retention tool. Retention serves as a very important factor in our determination of the type of award to grant and the number of underlying shares that are granted in connection with that award.

Our Compensation Committee considers cost to the Company in determining the form of award and, as a result, routinely grants stock options and restricted shares. In determining the size of an option or restricted stock grant to a named executive officer, both upon initial hire and on an ongoing basis, our Compensation Committee considers competitive market factors, the size of the equity incentive plan pool, cost to the Company, the level of equity held by other officers and individual contribution to corporate performance. Although there is no set target level for holding options or stock ownership, our Compensation Committee recognizes that the equity-based component ensures additional focus by the named executive officers on stock price performance and enhances executive retention. Accordingly, the exercise price of stock options is tied to the fair market value of our Common Stock on the date of grant and such options typically vest quarterly over a four-year to six-year period. Based on such exercise price and the other conditions of the award agreements to be entered into with qualifying employees under the 2010 Plan, some options are intended to qualify as incentive stock options.

There is no set formula for the granting of awards to individual executives or employees. The number of options awarded may vary up or down from prior year awards. Mr. Karkus and Mr. Cuddihy were each awarded incentive stock options by our Compensation Committee in December, 2010 and in December, 2013. The 2010 award to Mr. Karkus is an incentive stock option to purchase 600,000 shares of our Common Stock, which vests in six equal installments of 100,000 shares each (on the first six anniversaries thereof); accordingly, options to purchase 300,000 shares have vested as of March 2014. The 2013 award to Mr. Karkus is an incentive stock option to purchase 100,000 shares of our Common Stock, which vests in two equal installments of 50,000 shares each (on the first two anniversaries thereof). The 2010 award to Mr. Cuddihy is an incentive stock option to purchase 200,000 shares of our Common Stock, which vests in four equal installments of 50,000 shares each (on the first four anniversaries thereof); accordingly, options to purchase 150,000 shares have vested as of March 2014. The 2013 award to Mr. Cuddihy is an incentive stock option to purchase 120,000 shares of our Common Stock, which vests in two equal installments of 60,000 shares each (on the first two anniversaries thereof). The 2010 and 2013 stock option awards had an exercise price of \$1.00 per share and \$1.65 per share, respectively.

In keeping with our executive compensation program and philosophy for incentivizing the performance of our named executive officers, our Compensation Committee has used restricted stock grants to reinforce the alignment of interests of our named executive officers with those of our stockholders, as the value of the awards granted thereunder is linked to the value of our Common Stock, which, in turn, is indirectly attributable to the performance of our named executive officers. The Company paid bonuses to its named executive officers for the 2012 fiscal year in cash, as the number of reserved shares under the 2010 Plan was

TABLE OF CONTENTS

substantially depleted. For 2013, the Compensation Committee determined to award a \$100,000 cash bonus to the Chief Executive Officer and \$50,000 to the Chief Financial Officer, after reviewing both Company and individual performance for the year.

Payments upon Termination or Change in Control

Our employment agreements with our named executive officers also provide for payments upon certain terminations and change in control benefits to ensure that they work to secure the best outcome for stockholders in the event of a possible change in control, even if it means that they lose their jobs as a result. Under their employment agreements, in the event of the termination by the Company of the employment of Mr. Karkus or Mr. Cuddihy without cause or due to a voluntary resignation by either executive with Good Reason (as defined in the agreements), each executive will be paid a lump sum severance payment in cash equal to the greater of (A) the amount equal to eighteen (18) months base salary or (B) the amount equal to the his base salary for the remainder of the term as if the agreement had not been terminated. Additionally, each executive is entitled to receive a lump sum severance payment in cash equal to the greater of A or B, if he, within twenty four (24) months of a Change in Control (as defined in the agreements) of the Company, is terminated without cause or due to a voluntary resignation by him with Good Reason (as defined in the agreements). Each executive may also participate at Company expense in all medical and dental plans for the remainder of the term of his employment agreement in the event the Company terminates the employment agreement for any reason, except for the Company's termination for Cause (as defined in the agreements) or a voluntary resignation by him without Good Reason (as defined in the agreements).

Beyond their employment agreements, each of Mr. Karkus and Mr. Cuddihy were awarded stock option grants under our 2010 Plan in December 2010 and December 2013. The terms of these options grants are discussed immediately above under the caption "Compensation Pursuant to Plans." Pursuant to the terms of our Amended and Restated 2010 Equity Compensation Plan, in the event of a Change of Control (as defined in the 2010 Plan), with respect to any outstanding options then held by participants which are unexercisable or otherwise unvested or subject to lapse restrictions, the Compensation Committee may accelerate, vest, or cause the restrictions to lapse with all or any portion of an option, and may (i) cancel options for fair value, (ii) provide for the issuance of substitute options or (iii) provide that the stock options shall be exercisable for all shares subject thereto for a period of at least ten (10) days prior to the Change of Control and that upon the occurrence of the Change of Control, the stock options shall terminate and be of no further force or effect. In the event that either of Mr. Karkus or Mr. Cuddihy are terminated by the Company without Cause (as defined in their employment agreements), all options immediately and fully vest and become exercisable.

Defined Contribution Plan

In 1999, the Company implemented a 401(k) defined contribution plan for its employees. The 401(k) plan is the Company's primary retirement benefit for its employees, including its executives. For executive officers, as well as all other employees, the Company makes a contribution to the plan annually based on the amount of the employee's 401(k) plan contributions and compensation. The contribution to the plan by the Company consists of a 50% match of the employee's contribution, up to \$8,750 per person, per annum. The Company's total contribution to the 401(k) plan in 2013 for its executives was approximately \$17,500.

The Company does not provide its executive officers with any type of defined benefit retirement benefit or the opportunity to defer compensation pursuant to a non-qualified deferred compensation plan.

Perquisites and Other Personal Benefits

The Company provides executives with limited personal benefits. The Compensation Committee reviews annually the levels of personal benefits provided to the executives. Medical and dental insurance is provided to each executive; each executive contributes to such medical and dental insurance on the same basis as all other employees. Life and disability insurance is provided to each executive at no cost to the executive. All such benefits terminate at the time each executive is no longer employed with the Company or as otherwise provided in the applicable employment agreement. The annualized dollar value of such benefits is included in the Summary Compensation Table as "Other Compensation." Company contributions to the Company's 401(k) plan are also included in the Summary Compensation Table as "Other Compensation."

TABLE OF CONTENTS

In setting director compensation, the Company considers the significant amount of time that directors expend in fulfilling their duties to the Company. Each non-employee director receives a monthly Board fee of \$3,000, paid quarterly promptly following the close of each quarter, pro-rated for partial service. Non-employee directors do not receive additional fees for attendance at Board or committee meetings. Under our compensation plan for non-employee directors, approved in June 2009, each non-employee director has the right periodically to elect to receive up to 50% of their board fee in cash, but were required to accept at least 50% in shares of our Common Stock. From the fourth quarter of 2011 until the 2013 annual meeting of stockholders, the Company stopped issuing shares to directors because the Company did not have an adequate reserve of authorized shares available for issuance under the 2010 Directors' Equity Compensation Plan. In May 2013, our stockholders approved an amendment to the 2010 Directors' Equity Compensation Plan to increase the number of shares issuable thereunder from 250,000 shares to 425,000 shares.

We reimburse each non-employee member of our Board for out-of-pocket expenses incurred in connection with attending Board and Committee meetings. Non-employee directors do not participate in any Company nonqualified deferred compensation plan and we do not pay any life insurance policies for the directors. Any director who is an employee of the Company is not entitled to compensation for service as a Board member.

Officers, directors and greater than ten-percent stockholders are required by the SEC's regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it, the Company believes that during the fiscal 2013, all reports of ownership and changes in ownership applicable to its executive officers and directors were filed on a timely basis.

5. The Audit Committee also has instructed the registered public accounting firm that the Audit Committee expects to be advised if there are any subjects that require special attention.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board that the Company's audited financial statements referred to above be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2013 for filing with the SEC.
