**Item 8.01          Other Events**

In August 2012, the Mississippi Gaming Commission granted Rotate Black MS, LLC an affiliate of Rotate Black, Inc., approval to begin development of a casino resort project in Gulfport, Mississippi. Approval was granted on the condition that Rotate Black obtains necessary project financing, and documentation of the financing, within a specified time frame. Although Rotate Black was unable to meet the financing condition by the allotted deadline, it has an executed commitment letter for the project's necessary debt financing. Rotate Black has site approval, and current gaming laws grant Rotate Black the ability to apply for a new approval to proceed under its current design for the casino resort project through December 31, 2013. At present, Rotate Black looks to move forward with development by submitting the required financing documentation and reapplying to the Commission for authorization to proceed.

The Casino Resort will be located on one of the last remaining gaming eligible sites in Gulfport, MS and will offer unparalleled vehicle and pedestrian access. It will be directly adjacent to the newly renovated Jones Park with its upgraded marina, pavilions, green space and art and entertainment facilities. The site is located at the intersection of Highway 49 and US 90 and will offer direct access to I-10 via the Central Harrison County Connector Highway currently under construction by the State of Mississippi.
