Revenues will increase for the three and nine months ended September 30, 2020 as compared to the three and nine months ended September 30, 2019 due to increased sales at Mom’s Silver Shop. Compensation expense for the nine months ended September 30, 2020 will decrease. Other income (expense) will decrease due to a greater unrealized gain on investments in precious metals, and less interest expense, a gain on settlement of debt, and elimination of fair value of derivative liabilities, all due to the settlement of outstanding debt in January 2020. The Company is not able to quantify the changes at this time.
