Revenues will decrease slightly for the quarter ended September 30, 2024 as compared to the quarter ended September 30, 2023 due to less sales days for the three months ended September 30, 2024 as compared to the three months ended September 30, 2023 with a related decrease in cost of sales. There is no lawsuit judgment expense for the three months ended September 30, 2024 compared to \$77,863 for the three months ended September 30, 2023. Other income (expense) will increase due to an unrealized gain on investments in precious metals for the three months ended September 30, 2024 as compared to an unrealized loss for the three months ended September 30, 2023. The Company believes that it will report net income for the quarter ended September 30, 2024 as compared to a net loss for the quarter ended September 30, 2023. The Company is not able to quantify the changes at this time.
