SECTION 8 – OTHER EVENTS

Item 8.01 Other Events

On March 10, 2017, Textmunication Holdings, Inc. added Rajeev Varshneya as Technical Advisor to the company. Mr. Varshneya spent more than 20 years with Royal Phillips NV (“Phillips”). Phillips is a global leader in flat TV, energy efficient lighting solutions, healthcare – oral, cardiac, acute care and home with revenues of \$38B, 114,000 employees in more than 100 countries.

Mr. Varshneya roles at Phillips included CEO of Phillips Software Center, VP of Product Strategy, Engineering and Operations and SVP of Technology, Product Development and Strategy. He has also led numerous technology start-ups and is actively involved in government contracting with leading Systems Integrators. He resides in Silicon Valley and is connected to the technology network in the United States and abroad.

In his role as Technology Advisor, Mr. Varshneya will design a technology roadmap setting Textmunication on a course to be a leading SMS solutions provider. He will bring in his network of technology architects and developers to assist in Textmunication’s technology growth, M&A and market leadership. This not a Principal or Director position, but rather an advisor role on specific development projects and M&A.
